

HAITIVISION
Relief Project

HELP HAITI SEE

Laurier Optical is a Canadian Owned optical company becoming involved in the relief effort in Haiti.

As a company we are committing 1 million dollars in eye wear and eye care to the people of Haiti.

We are sending a team of professionals to Haiti to perform eye exams and dispense glasses. This team will be made up of doctors, optometrists and opticians. We will be paying all expenses incurred and making the travel arrangements etc. Final arrangements are not completed and a date for travel is not available just yet. The commitment from the volunteers will be their time and their hard work once we get to Haiti.

Through the media we have asked communities to become involved and donate their used eyeglasses. These can be dropped off at any of our 34 stores throughout Ontario and Quebec. Or they can be sent to us at 1811 St. Joseph Blvd. Ottawa, K1C 7C6. The frames will be refurbished and new prescription lenses will be put in. Many of our suppliers have already come forward to donate new frames and lenses and their generosity is greatly appreciated.

If you would like more information or wish to volunteer please contact me at Marlies@laurier-optical.com

Thank you
