

# YOUR OPINION COUNTS

---

Membership of the OAC,

We value your opinion. In a world full of change, remaining the same is not an option. We are always taking opportunities to make our services more relevant and reflective of the needs of our members. Towards this goal, the Association requires feedback on our official publications, \*Vision Magazine and LaRevue Magazine.

Vision Magazine, originally published by August Communications many years ago, and LaRevue magazine are about to grow! The OAC has enjoyed many years of success with Breton Communications, but in keeping with our mandate to grow, we are entertaining proposals from new publishers. So while we say farewell to our long-time publisher we will say hello to an opportunity to make some possible format changes to our magazines!

Tell us what you would like to see in your association publications. What did you like? What would you like to see more of? Is there anything missing? Did you feel the magazines were reflective of the OAC mission statement?

We look forward to hearing from you.

\*Vision Magazine and LaRevue Magazine are the only official publications of the OAC.
