

WE CUSTOMIZE TO FIT TOO

Western Financial Group, in partnership with the Opticians Association of Canada, would like to introduce the Opticians Employee Benefits Insurance Program.

How this program helps you:

Program Flexibility – depending on your need we can provide a variety of coverage options

Save money on your premiums – immediate savings off existing premiums for equivalent coverage

Increased Rate Stability

No need to collect receipts and submit for prescription drugs or dental

Available online 24/7 so you can manage your program when you want to

Take advantage of comprehensive life, health and dental plan options for you and your employees.
